

2015/16 COMP3207 Coursework Marks Distribution Return: Team ____

To be submitted via ECS Handin as part of your team coursework submission

Record here your proposed distribution of the total number of marks awarded to your team. Please enter names, ECS IDs, registration numbers and the percentage of the **total** team effort contributed by each team member. The contribution percentages **must** total 100%.

Each team member **must** sign and date the form before submission to confirm that they agree with the proposed distribution. Only one fully-completed form per team is necessary (but see below when this is not possible), to be submitted via the ECS Handin system by the team leader.
